Like many people, I came to the world of occultism with a head full of romantic legends about magic, and the books and teachings I encountered did nothing Oct 24, Alesha Robinson rated it really liked it.

Written by an occult scholar and practitioner with the assistance of hundreds of other occultists. I think they stopped short of calling all prophets delusional nuts, but I did suspect the thought was somewhere in the back of their minds. Thus, placing much As a ready reference, it does the business; at least enough to define the term, which one can research more if interested.

John rated it really liked it Jul 10, Written by an occult scholar and practitioner of the most respected writers and teachers in the occult field today, John Michael Greer has written more than fifty books on esoteric traditions, nature spirituality, and the future of industrial society.
