Through the Storm, Through the Night. The first chapter highlights the history of the African American military tradition from the Revolutionary period to the Korean War. The document set at the end of the book includes Medal of Honor citations, GI letters, and an excellent oral history interview that will let students do their own primary source analysis. Students will learn much from these details of discrimination that informed Paul. I really liked it Oct 23, The African American Experience in Vietnam is. More Than a Game. We'll publish them on our site once we've reviewed .
